

The Barkhamsted Fire District would like to give a heartfelt thank you to the Auxiliary for Community Health in Winsted for awarding us a grant totaling \$33,472. With the grant we were able to purchase two Hurst "Jaws of Life" Combi tools. The Barkhamsted East Vol. Fire Dept. and the Riverton Vol. Fire Dept. will each receive one of these lifesaving pieces of equipment. Without the generous people at the Auxiliary for Community Health this purchase would not have been possible. We look forward to being able to better serve our community with the help of these new tools!
